REQUIREMENTS/RIDER

In order to ensure the best possible environment for your audience, the following must be in place before Tammy Dowley-Blackman will be able to speak.

MICROPHONE

- + Order of preference for microphone: 1) Hands free microphone (lapel or country-man mic). 2) Wireless Handheld. 3) Handheld microphone with at least 30 feet of cord.
- + Sound System has been tested for proper operation.

STAGE / LIGHTS

- + Tammy prefers a well-lit stage that is open and empty. She does not need a podium.
- + Tammy asks for a small table with a water bottle and room for her notes.
- + Please leave the house lights on enough so that Tammy can see the audience from the stage.

SEATING ARRANGEMENT

- + Please seat the audience directly in front of Tammy in a theater style setting. No seating behind or to the side of Tammy while she speaks.
- + If Tammy is speaking at a school, she prefers to have the assembly in an auditorium. If a gymnasium is the only option, sit students only on one side with the remainder on the gym floor or contact us to discuss other options.
- + The audience should be seated as close to the stage as possible.

RESOURCE TABLE

- + Please put a table beside the exit of the room so Tammy can share resources and autograph merchandise for your group.
- + There should be a 15-minute break immediately after Tammy's speech in which she can interact with audience members, sign autographs, take photos, etc.

OTHER NOTES

- + Two bottles of water would be greatly appreciated. Room temperature is preferable.
- + Workshop audiences should be limited to approximately 150 students.

The Client is responsible for sharing these requirements with the appropriate parties (tech crew, planning committee, etc.). It is very important to distribute this sheet. If these requirements are not followed, Tammy does not guarantee the success of her speech.
